

Mission Statement

To promote and coordinate the efforts of local organizations and businesses to make the Hoven area an even better place to live.

Hoven Service Club 2018

PO Box 404 Hoven, SD 57450

Promoting a small community in transition

Our community is making progress with its preparation for visitors and people to move into our community. The main street is the **welcome mat** people see when they visit our town. We need to show case what we have to offer in terms of housing, first responders, basic services, recreation and educational facilities for the youth. We are living in a mobile era. People are content to live farther and farther from their work as long as they have a friendly, quiet, clean and safe place to live.

The Harvesting Hoven's Potential day care committee has successfully started three new day care facilities for the young families who live here. The youth committee has initiated new activities and facilities for our youth. The housing committee has been working hard. The health committee has been successful in getting a hearing clinic started as well as getting a health screening day started in Hoven. The business committee is working along with the housing committee to identify our short term housing and long term needs. They are also working on growing the business climate in Hoven.

Massive financial investments have been made in Hoven. We are asking for your help in the promotion of our community. Your support of your Service Club and your efforts in the promotion of Hoven are important. Suggestions and input are welcome at any of our monthly meetings.

A large percent of hits to Hoven's website come from outside the community. Your promotional membership in the Hoven Service Club supports the advertisement of our community to the world. Your help is what keeps Hoven a strong community. Check out www.hovensd.com to see how our story is presented to the world.

Annual promotional membership dues of **\$95.00** include two complimentary tickets to our banquet for **Saturday, March 10, at 6 p.m.** in the Hoven Legion Hall. Door prizes will be given throughout the evening. Winners of door prizes must be present.

State Jr. Snow Queen April Simon and Hoven's Senior Snow Queen Samantha Stethem will grace us with their presence at the annual banquet. They will be chaperoned by a member of the state royal family. Hoven is proud to have our first state Jr. Snow Queen. Congratulations April and thanks for promoting our community throughout the state of South Dakota.

A banner ad on the right side of the website homepage is available for **\$10** per month. Any hits on your banner ad automatically lead them directly to your business page ad or your website. This increases hits 100 % for those who purchase it.

Your promotional membership entitles you to a business listing along with a page ad on our website, www.hovensd.com. Updates to your ad throughout the year are also included. You may fill out an information form for your web page, and you are also entitled to a link to your own business website. A suggestion would be to visit with Joni Abler (ph. 605.281.0587) about how to enhance your webpage.

Your quick response is very important as we need a count for the banquet. Please send your check for dues and banquet tickets in the enclosed envelope. You may pick up your ticket at the door Saturday evening **March 10th. Social hour at 6:00 pm and banquet at 6:45.**

Hoven Service Club Officers - Vern, Francis, Sue and Royce
