

Mission Statement

To promote and coordinate the efforts of local organizations and businesses to make the Hoven area an even better place to live.

Hoven Service Club 2018

PO Box 404 Hoven, SD 57450

Promoting a small community in transition

'Company is coming' and our community is bustling with preparation. Our front door (Main Street) is all spruced up. The School property is in show case shape. With the arrival of spring, more cleanup projects will be under way. When the all school reunion begins June 29th, the population of Hoven will triple. The five Harvest Hoven's Potential committees have made much progress by starting three new day care centers, hearing and health screening for our community, creating more activities and facilities for our youth, and identifying housing and business needs.

The visitors to our community in the coming year will surely recognize the attractiveness of our community. They will also recognize the availability of housing and quality of life that can be gained by living in Hoven. A special report at the banquet this year will be given by the people who delivered our donated medical supplies and equipment to Haiti. This group volunteers to go to Haiti to provide medical services several times a year.

Your Service Club is planning their annual banquet for **Saturday March 10th** at the Hoven Legion Hall. The social hour **begins at 6 p.m.**, followed by the banquet at 6:45 p.m. We invite you to bring your new neighbors and friends and introduce them to our friendly community. The Hoven Community Foundation has had a good year and a report will be given on matching funds available to non-profit projects in our community. Application forms are available on www.Hovensd.com.

State Jr. Snow Queen April Simon and Hoven's Senior Snow Queen Samantha Stethem will grace us with their presence at the annual banquet. They will be chaperoned by a member of the state royal family. Hoven is proud to have our first state Jr. Snow Queen. Congratulations April and thanks for promoting our community throughout the state of South Dakota.

Annual membership dues	\$15.00
Single membership + banquet ticket	\$30.00
Couple membership + 2 banquet tickets	\$40.00
Promotional membership includes Two banquet tickets	\$95.00

Because we need a count for the banquet, your **quick response** is very important. Please send your check for dues and banquet tickets in the enclosed envelope. You can pick up your tickets at the door. Your tickets will have your number which qualifies you for the meal and door prizes.

Thank you again for your patience this past year. With our New School, New Street, Sidewalk, Street Lights and Airport Runway, **Now is the time to double down on promoting our community as an optimum place to raise and educate your family.**
