

Hoven Service Club 2017

PO Box 404 Hoven, SD 57450

Promoting your business in a community in transition.

The www.hovensd.com website can showcase your business. Now that our community's face lift is complete, it is time to step up the exposure of your business to the world. Experience has shown that if you update your business page a few times per year it increases the number of people coming back to your page.

Your Promotional membership \$95 value entitles you to be listed among other promotional members on a drop down box. The drop down box is which is located at the top of the home page of the Hoven website. Your name will be a link your own website or a page listing your contact information and the services you offer. Two updates per year are also included. You are encouraged to take digital pictures of your services and activities and email them to web master Jonie.Abler@k12.sd.us

Each promotional member is asked to fill out this form and to return it in the enclosed envelope to the Hoven Service Club. The more interesting you make your webpage, the more hits you will receive. Hoven's website has received compliments by many who have visited our community and who have researched the potential of relocating here.

The promotional pictures of the St. Anthony Christmas on the Prairie event proved to increase significantly the hits to St Anthony's page. The events link on the website is used heavily by outsiders as well.
